

UConn Health - Respiratory Therapy
JOB OPPORTUNITY
Respiratory Therapist

PLEASE FOLLOW THE SPECIFIC APPLICATION FILING INSTRUCTIONS AT THE BOTTOM OF THIS PAGE!

Open To: The public

Location: Farmington, CT

Job Posting No: 2016-602

Hours: Part time, 64 hours every two (2) weeks, Nights, 11:00 p.m. to 7:30 a.m., every other weekend and holidays are required.

Salary: Minimum full time salary equivalent \$53,653

Closing Date: Open until filled

Eligibility Requirement: State employees currently holding the above title or those who have previously attained permanent status may apply for lateral transfer. Eligible candidates must meet **ALL** minimum knowledge, skill and abilities, education and training or substitution allowed and special experience and/or requirements.

Knowledge, Skills and Abilities: Considerable knowledge of equipment, procedures, techniques and terminology used in respiratory therapy and related diagnostic testing; considerable technical knowledge of cardiopulmonary physiology and pathology; interpersonal skills; considerable ability to work therapeutically with patients; ability to prepare written reports.

General Experience: Successful completion of a two (2) year respiratory therapist program approved by the Council on Medical Education of the American Medical Association.

Substitution Allowed: Successful completion of a one (1) year respiratory therapy technician program approved by the Council on Medical Education of the American Medical Association AND one (1) year of experience as a Respiratory Therapy Technician may be substituted for the General Experience.

Special Requirement: Incumbents in this class must possess and maintain a license as a Respiratory Care Practitioner issued by the Connecticut Department of Public Health in accordance with the applicable Connecticut General Statutes. Candidates will be required to take a physical examination to demonstrate sufficient physical strength for efficient performance of duties.

Working Conditions: Incumbents in this class may be required to lift and/or adjust equipment and patients; may have some exposure to communicable and/or infectious diseases and uncooperative or abusive patients; may be exposed to moderately disagreeable conditions.

Preferred Qualifications: Current NNICU experience.

Note: The filling of this position will be in accordance with reemployment, SEBAC, transfer, promotion and merit employment rules, if applicable.

Application Instructions: Interested and qualified candidates who meet the above requirements should apply on the [UConn Health Job Opportunities website](#) reference search # 2016-602. You will be prompted at the end of the application process to upload a cover letter and resume; be sure to have these documents saved on your desktop in Word format prior to uploading.
